

HOSPITALITY ENTREPRENEURIAL BOOTCAMP

An 8-Week Intensive Business Startup
Virtual Workshop and Entrepreneurial
Coaching Experience.

- Have a great idea for a startup but don't where to begin?
- Do you feel called to do more with your day-to-day?
- Have you wanted to start your own business?
- Would you like hands-on direction and support to launch your dream?

Register today for the NSMH Entrepreneurial Bootcamp Workshop, which is an eight-week intensive business start-up course that will equip you with the information, tools, and resources to build and launch your own business. Whether you would like an online, retail, or service entity, we stand ready to help you to take the steps needed to succeed.

Participants will receive:

- Access to a one-hour virtual workshop for eight weeks
- Downloadable handbook with resources, tools and information needed for start-up
- Engagement with special guest entrepreneurs
- A one-on-one entrepreneurial coaching session with an experienced entrepreneur
- Assistance in developing an actionable Business Plan

It's time to take action! We are here to help you develop and launch your venture. Your own hospitality business is calling!
